a little history...

Cloth has been used to cover billiards tables since the 15th century.

The cloth used to cover Billiard tables has traditionally been colored green, reflecting the original lawns the game was played upon.

we've got you covered.

Billiard Cloth and Billiard Panel are the go-to fabric system. No worries about these two. Use them fearlessly to upholster chairs, panels, screens and walls too. The added benefit of Crypton means those little messes clean right off your upholstery.
